

Instructions

Writing Guidelines:

1. Write your assignments on clean sheets of paper (A4, Notebook, etc), in clear and legible handwriting.
2. On the first/cover page, write the Assignment number, Course + section number, Name and Student ID.
3. Remember to number every page for ease of sorting.
4. Write your **Student ID** on the **top right** corner of **every page** of your assignment.
5. Label all your answers appropriately with the correct numbers.

Submission Process:

1. Assignment submissions will be taken section-wise. Your respective faculty will inform you of the submission process to be followed by your section.
