

Dear Students,

Welcome back to the Campus!

Since the University is gradually resuming its physical activities, a number of incidents have been brought to our attention. Therefore, we would like to remind everyone of the following;

1. The University has a "**zero tolerance**" on all forms of bullying, ragging, abuse, and harassment. We encourage freedom of expression, but please be mindful of your behavior. Refer to the attached **Procedures** and **Code of Conduct** for details.
2. Threats, intimidations, forgeries, any inappropriate act or violence, any anti-social or anti-cultural behaviors, and similar activities are strongly discouraged on the University campus and constitute a breach of University policy and regulations. Please refrain from engaging in such behaviors, and if you witness them, please notify us immediately. Please refer to the accompanying **Procedures** and **Code of Conduct** for more information.
3. Taking photographs, videos, and recordings without the consent of others is a violation of University policy and Government regulations. Please do not be involved in such activities, and if you see such activities, do report it to us immediately.
4. We share public spaces around our campus. Please be mindful and respectful as you interact with your fellow students and members of the public. If you see something unusual, please contact our staff and the security personnel.
5. Since we have now returned to offline classes and examinations are held on campus, please be mindful of adhering to the examination rules and regulations of the University and refrain from committing any type of academic misconduct including cheating, copying, and plagiarism. Please abide by the regulations of the examination hall and classrooms.
6. No student is allowed to create any Facebook and/or Messenger group related to the course. Even if you do so, make sure the respective course faculty members are present in the group.

As BRAC University holds very strong reservations against all sorts of academic and non-academic misconduct, please try to abide by the standard practices accordingly. Any activity that breaches the rules and regulations will automatically fall under the zero-tolerance criteria. We aspire to maintain a safe and inclusive environment for every member of the University, and to that, your contribution is highly appreciated.

If you want to report any incident or speak to us regarding any issues, you may contact the Proctor's Office through the following channels;
